About Us

Removed the extra space after the promoters. Made the background for promoters similar to main background (currently its grey). Checked the alignment.

Gallery

Added banners of flipkart and ginwiz on this page.

Apply

Made a new form page, added bigrock and flipkart banners..

For the application(to get table data onto an excel sheet):-

- 1) Go to Microsoft excel and open it.
- 2) Click on Data -> From Web.
- 3) Then a window opens up New Web Query, there in the address bar type this address:-
www.bnsatnalikafoundation.org/bnsat&@/results.php
- 4) There will be a table, click on the table and click import, then ok on the excel popup.. All the data will be imported onto your excel worksheet.

Past Work :-

Feedback

Added the below widget on every page...

```
<script id="_webengage_script_tag" type="text/javascript">
  window.webengageWidgetInit = window.webengageWidgetInit || function(){
    webengage.init({
      licenseCode:"~2024bc00"
    }).onReady(function(){
      webengage.render();
    });
  };

  (function(d){
    var _we = d.createElement('script');
    _we.type = 'text/javascript';
    _we.async = true;
    _we.src = (d.location.protocol == 'https:' ? "//ssl.widgets.webengage.com" :
    "cdn.widgets.webengage.com") +
      "/js/widget/webengage-min-v-3.0.js";
    var _sNode = d.getElementById('_webengage_script_tag');
    _sNode.parentNode.insertBefore(_we, _sNode);
  })(document);
</script>
```
